

Welcome to Atami SGG International Club and our June newsletter. We are a group of like-minded volunteers, Japanese and foreign, all living in Atami.

We aim to deepen communication and cooperation between residents of all nationalities, provide assistance to new arrivals and help promote Atami as a tourist city.

Atami Citizens' Facility Use Card

Citizens of Atami are able to benefit from discounted entry to some of Atami's cultural facilities. The card is free and can be obtained from Atami City Hall, however, your official Japan residency card or driving license can also be used to benefit from the same discounts.

We will add details of facilities to our website in due course and update it over time. Below are the facilities we know of. If you know of others, please let us know and we will add them.

Erin Gonzalez-Hicks, USA New Atami Resident, English and Spanish Speaker

I am the 3rd Generation of my family living in Japan since the end of World War 2. I grew up at Yokota and Tachikawa Air Force Base near Fussa in the 1970's and am now very happy to be living in Atami, Japan's Beach Side Rivera. A wonderful Japanese word describes the beauty of living in Atami: "Kachoufugetsu" (花鳥風月) meaning the appreciation of natural beauty. The 4 Kanji describe the peaceful, healing Environment Atami well: Flowers, Birds, Cool Breezes, and Bright Moonlight.

Natsumi Mochizuki, Japanese living in Atami, Japanese and English speaker

My name is Natsumi Mochizuki. I am in charge of the website at Atami SGG. Since moving to Atami, I have been enjoying the hot springs every day and snorkeling in my spare time in summer. Atami has both ocean and mountains, and I am healed by its scenery that I can see from my window. I usually work as a web engineer, work in the travel industry, and work in education, but I also teach yoga classes from time to time. This year I would like to do beach yoga. Let's enjoy Atami together!
