

Welcome to Atami SGG International Club and our October newsletter. We are a group of like-minded volunteers, Japanese and foreign, all living in Atami.

If you have any language problem, please take a contact us. We have several members who, between them, speak English, German, Spanish, Italian, French and Chinese.

As you walk through Atami, often you see steam wafting up at various places. These places are known as the **Seven Hot Springs of Atami**. Next time you pass one, take a few minutes to experience the history and atmosphere of the hot springs. **Kosawano-yu** is one of the seven hot springs in Atami and is located near *Iki Iki Plaza*. You can make onsen tamago (hot spring eggs) there from the hot steam. It is not a well-known landmark in Atami, but the locals know it and swear by its deliciousness. It was recently renovated and now there are two areas for steaming and a bench has been installed. Grab your fresh eggs and stop by for a visit.

### Meet Atami Residents & SGG Club Members

#### **Shigeo & Reien Suzuki, Atami**

Mr. Suzuki was born and raised in Atami. Currently, he and his wife live in Tokyo but go back and forth to Atami a few times a month. He works at the information desk in Tokyo's Toshima ward office, but from Oct 10<sup>th</sup> will resign and look for other opportunities. He is interested in meeting fellow singers among SGG members, who want to sing Billy Joel a cappella consisting of four-parts, "For the longest time". Let's make a quartet together and enjoy English and music!

Mrs. Suzuki is from Kokuryuukousyou (鈴木 麗艶) in China and came to Japan in 2017. She has also been a member of the Association of International Interchange. Atami is much warmer than her hometown and she enjoys the sea and mountain views here. She hopes that more Chinese learn about the beauty of Atami.
