Attractions in Atami

Do you want to enjoy this beautiful view? If so, autumn is a great time to explore **Himenosawa Park**. Visitors to Himenosawa can enjoy the lower park area which has a visitor's center and plenty of space for picnics, or for those who are more energetic, take the Jukkoku ropeway and walk down thru the park. Bus service is available from Atami station via the Izu Hakone bus. At the top of the ropeway, there is a beautiful lookout with views of Fuji san and Numazu. Atami SGG BBQ Party

The SGG Club held a BBQ party at President Helga's home in mid-October. Her house was a lovely place for everyone to gather and has a beautiful view of Sagami Bay. Eighteen members joined the get together and enjoyed chatting, eating delicious food, and drinking wine. It was a good chance to renew friendships and make new ones. This was the first time the club held such an event so next year more preparations for food and warm clothing will be arranged. Thank you to Helga and her husband for all the preparations and cooking. Please join us in our monthly activities and make new friends.
